**FOOD JOURNAL:** If you're looking for a place to host a casual dinner with family and friends, be sure to look up Lenas. Enjoy hearty portions of Italian classics such as baked rice, pastas, and handmade thin crust gourmet pizzas. The extensive menu also features many tempting dessert items such as the addictive peanut butter sundae. For maximum indulgence, the hotpan chocolate brownie proves to be a crowd favourite.

**INSIDER FEED:** For a healthy yet satisfying meal, go for the salad bar buffet and build your own salad with the range of greens, dressings and condiments. If you still need some carb, the buffet includes mashed potatoes and garlic bread.
